

# Unemployment Compensation

At East Coast Risk Management, our integrated claims management process streamlines communication and workflows between the employer and the unemployment commission.

Dedicated to providing risk management solutions to our clients, our staff manages the entire cycle of a claim.

---

## SERVICES INCLUDE:

- Reducing unemployment tax liability
- Reversing unemployment compensation charges
- Eliminating internal administrative costs
- Managing claims processing, protests and appeals
- Attending hearings in person or by phone
- Unemployment tax services including:
  - Tax rate verification
  - Voluntary contribution analysis
- Informative reports to help monitor unemployment compensation cost controls
- Expertise and strong partnerships amongst state agencies
- Examination of benefits paid history and employee eligibility
- Streamlining of employer data

At East Coast Risk Management, our TPA Division is dedicated to managing your company's unemployment claims at a fraction of the cost of maintaining an in-house claims administration team.
